Notes:

1. All other policies and procedures not covered above are outlined in the Service and Warranty Policy. Please refer to the table of contents for the appropriate page(s).
2. The above warranty covers only engines sold by Kubota Canada Ltd., Engine Division and Kubota Engine America Corp. in North America.
3. Any product manufactured in North America and utilizing a Kubota engine that is shipped outside North America, will be covered by that country's warranty or the policies of Kubota Corp. of Osaka, Japan.
4. Any product shipped into North America powered by a Kubota engine will be covered by the limited 3 year warranty only if, that product has been registered for World Wide Service (WWS) and the importing company will utilize Kubota authorized Industrial Engine Distributors for Service/Parts purchases and warranty.
5. All Jet A, JP-5 or JP-8 fuel applications must be application reviewed in writing from Kubota Canada Ltd., Engine Division or Kubota Engine America Corp. in order to be eligible for the limited 3 year warranty. All criteria and policies related to these fuel applications can be supplied upon request.
