

Aftermarket Parts Warranty Statement

STAMFORD and AvK Aftermarket Parts

Limited Warranty

Parts and Accessories

This limited warranty applies to all Cummins Generator Technologies genuine **STAMFORD®** and **AvK®** parts and accessories (hereinafter referred to as "Products").

This warranty covers any failures of Products, under normal use and service, which result from a defect in material or factory workmanship.

Warranty Period:

The warranty start date is the date of sale to first retail customer.

Parts and Accessories Coverage

Duration:

Purchased Products are warranted for one year, or any Products repaired or replaced during the Cummins Generator Technologies® alternator warranty period assume the remainder of that warranty period, whichever is the greater.

Cummins Generator Technologies® Responsibilities:

In the event of a failure of the Product during the warranty period due to defects in material or workmanship, Cummins Generator Technologies® will only be responsible for the following costs:

- Replacement Product

Owner Responsibilities:

The owner of the Product will be responsible for the following:

- Notifying Cummins Generator Technologies® distributor or dealer within 30 days of the discovery of failure.
- Installing, operating, and maintaining the Product in accordance with Cummins Generator Technologies® published policies and guidelines.
- Providing evidence for date of purchase.
- Providing sufficient access to and reasonable ability to remove the Product from the installation in the event of a warrantable failure.

In addition, the owner of the Product will be responsible for:

- Incremental costs and expenses associated with Product removal and reinstallation resulting from non-standard installations.
- Costs associated with rental equipment used to replace the Product being repaired.
- Costs associated with labour overtime and premium shipping requested by the owner.
- All downtime expenses, fines, all applicable taxes, and other losses resulting from a warrantable failure.

Limitations and Exclusions:

This limited warranty does not cover Product failures resulting from:

- Inappropriate use relative to application guidelines.
- Normal wear and tear.
- Improper and/or unauthorized installation.
- Negligence, accidents or misuse.
- Lack of maintenance or unauthorized repair.
- Noncompliance with any Cummins Generator Technologies® published guideline or policy.
- Use of improper or contaminated lubricants.
- Improper storage.
- Improper user setup or configuration.
- Owner's delay in making Product available after notification of potential Product problem.
- Use of any non-genuine Cummins Generator Technologies® replacement parts and accessories.
- Replacement parts and accessories used on any equipment other than Cummins Generator Technologies®.
- Owner or operator abuse or neglect such as: operation without adequate lubricants, overspeeding; lack of maintenance to lubricating, cooling or air intake systems; late servicing and maintenance; improper storage, starting, warm-up, run-in or shutdown practices, or for progressive damage resulting from a defective shutdown or warning device.
- Damage to parts, fixtures, housings, attachments and accessory items that are not part of the generator.

This limited warranty coverage does not cover costs resulting from:

- Difficulty in gaining access to the Product.

Please contact your regional Cummins Generator Technologies® support contact for clarification regarding these limitations.
